

# Condensation Detector

## ConSensy

### 1. ORDERING CODES

| Standard kits   |               |
|---|---------------|
| Description   | Code          |
| Condensation detector ConSensy 5 Vdc (n°1 sensor included)  | 0504230.00+S  |
| Condensation detector ConSensy 12 Vdc (n°1 sensor included)                                       | 1204230.00+S  |
| Condensation detector ConSensy 15 Vdc (n°1 sensor included)                                       | 1504230.00+S  |
| Condensation detector ConSensy 24 Vdc (n°1 sensor included)                                       | 2404230.00+S  |
| Condensation detector ConSensy 230Vac<br>(n°1 sensor and n°1 230 Vac/5V dc power supply included) | 23004230.00+S |

| Options and spare parts   |            |
|---------------------------|------------|
| Description               | Code       |
| Sensor                    | 20000+C    |
| Power supply 230Vac/5 Vdc | 2301005.00 |
| Interface module 5 Vdc    | 0504230.00 |
| Interface module 12 Vdc   | 1204230.00 |
| Interface module 15 Vdc   | 1504230.00 |
| Interface module 24 Vdc   | 2404230.00 |
